

## Clayton 3 Port Distribution Module

**This Distribution module is based upon the needs expressed to us by the maintainers of the C-17.**

The need was for 2-3 maintainers to perform dustless sanding operations at a great distance from the vacuum - up to 80 feet away. The distribution module allows 3 simultaneous users to work from one vacuum with a negligible loss of suction. The module is paired with any one of our 2" Air / Vac Cam Lock hoses. Maintainers can simply plug their lightweight Clayton Work Hoses and airlines directly into the distribution module, and work up to a 30 foot radius around the module. The module distributes the vacuum suction and the compressed air. This module is often used on JLG lifts or scissor-style lifts, and its integral bracket and safety cable allows it to be hung from the railing of the lifts. It works equally well on maintenance stands or scaffolding. Some customers find that the module allows maintainers to work inside an aircraft comfortably, without having to maneuver the vacuum into the fuselage. This module can be fitted to any Clayton HEPA Vacuum.

- Allows 3 maintainers to work simultaneously from one vacuum
- Extends vacuum range up to 80' (total length 110')
- Can be used with any brand vacuum (depending on vacuum strength)
- Lightweight aluminum construction - 12 lbs. total
- Attached dust cap prevents dust from escaping module when not in use
- Safety cable secures module to railings or structural components
- Integrated carry handle

### Distribution Module

| Model          | NSN | Vac Ports | Air Ports | Price |
|----------------|-----|-----------|-----------|-------|
| 923-A20315     |     | 3         | 3         |       |
| 923-A20315-0*  |     | 3         | 3         |       |
| 923-A20315-4** |     | 3         | 3         |       |

\* includes hose whip for electric DustMaster Vac

\*\* includes hose whip for pneumatic DustMaster Vac

### 2" Combination Air / Vac Cam Lock Hoses

| Model        | NSN | Vac Hose | Air Hose | Length | Price |
|--------------|-----|----------|----------|--------|-------|
| 671-AVH2020X |     | 2"       | 1/2"     | 20'    |       |
| 671-AVH2040X |     | 2"       | 1/2"     | 40'    |       |
| 671-AVH2060X |     | 2"       | 1/2"     | 60'    |       |
| 671-AVH2080X |     | 2"       | 1/2"     | 80'    |       |

NOTE: This module works in conjunction with a vacuum and requires a 2" Clayton cam lock hose and provides passive distribution only.
